

VIOLETA BORISONIK

Composition is a key factor in Violeta's geometrical abstract works. It is the element that engages the spectator and attracts him to a world of colors, textures and shapes. The layering of volumes draws a clear reference to her background as an architect and sculptor. Violeta also designs unique silver jewellery.

JUDI MILLER

Judi Miller is inspired by both natural and man-made landscapes. Starting with a photograph, a sketch is made on fabric, paint and dyes are used to produce the background with embroidery used to add the details. Creations are framed under glass but new in this studio tour are wall hangings. Judi is looking forward to welcoming visitors to her home and studio.
